

SCHOOL-BASED DECISION MAKING

School: Fern Creek High School

Subject of the Policy: Extracurricular Programs

Policy Statement

Extracurricular programs shall be selected based on the following criteria:

- The program complements the academic achievement of students.
- The program encourages students to develop self-confidence, self-esteem, and leadership skills.
- The program provides opportunities for students to participate in activities that encourage physical fitness, cooperation, and team building with adults and peers.
- The program provides the opportunity for students to interact socially in a positive manner with students in our school, other schools, and other districts.
- The program follows the participation guidelines as specified by Jefferson County Public Schools (JCPS) Activities and Athletics rules and regulations as well as those of the Kentucky High School Athletic Association (KHSAA).
- The program provides opportunities for students from all backgrounds to participate in the program activities and is intentional in its recruitment efforts.

By **April 1** of each year, the SBDM Council will review and ensure that each program meets the one or more of the respective guidelines above. By **May 1** of each year, the SBDM Council will approve the extracurricular programs for the following school year.
