

To provide additional support for our students and families during NTI, we are excited to offer virtual tutoring/homework help through a company called FEV Tutor. Students in grades 3-12 can access the program directly through their Clever account to either schedule an appointment or request on-demand help.

Tutoring help is available to students Monday – Friday, 7:00 am – 10:00 pm, and on the weekends. The program can be translated into over 40 languages for our ELL students.

If families have any questions about this free virtual tutoring program or need technical support, they can contact FEV Tutor directly at: [ky@fevtutor.com](mailto:ky@fevtutor.com) or 855-763-2607.
